# Attendance Agreement and Financial Contract

By signing this agreement, you acknowledge financial responsibilities to Harmony and Peaceful Connections, LLC, doing business as Kasia's Music. You are acknowledging that you have read, understand and agree to my studio policies. Commitment is for an entire school year or from the time the student is enrolled to the end of June. All monthly tuition is due on the 1st of each month and will incur a late fee of \$25 if not received by the 5th of the month. Should something arise where you cannot financially fulfill your commitment to music lessons, I would encourage and appreciate open communication and advance notice.

## Attendance: Missed Lessons/Cancellation

### **Teacher Commitment:**

As your teacher, I am dedicated to providing students with the highest quality instruction, sharing my knowledge and experience to support their musical growth. From my experience, the most successful students are those who, along with their parents or practice coaches, remain committed and engaged in their lessons. My goal is to foster a learning environment built on mutual respect and dedication.

If I become ill and need to cancel a lesson, I will notify the parent and attempt to reschedule. If rescheduling is not possible, the lesson amount will be deducted from the following month's invoice.

### **Student Commitment:**

Absences: If a student decides to discontinue lessons during the school year, a 30-day written notice is required, along with payment for one final month of tuition. This ensures a smooth transition and allows time to close out the student's learning progress appropriately.

## **Practice and Technology**

You understand that a device (computer, laptop, tablet) is required to complete lessons. You also agree to make sure that your device is charged and ready to log into [muzie.live](https://muzie.live) or [zoom.us](https://zoom.us) for your lesson.

You also agree to make sure that your instrument is in tune and ready for your lesson.
